

# PROFILE

- Name:** Dr. Sanjay K. Singh
- Address:** Agharkar Research Institute (ARI)  
Mycology and Plant pathology Group  
GG Agarkar Road, Pune 411004, MS  
[www.aripune.org](http://www.aripune.org)
- Telephone** +91-20-25653680 extn. 431; cell: 9423239056
- E-mail** [sksingh@aripune.org](mailto:sksingh@aripune.org); [singhsksingh@gmail.com](mailto:singhsksingh@gmail.com)
- Qualification** M. Sc. and Ph.D. in Botany
- Area(s) of Specialization** Mycology-Biodiversity, Biology, Systematics and Application of Fungi; Fungal Conservation and Culture Collections.
- Occupation/Designation** Scientist 'D'
- Major Activities**
- I. Research & Development: Fungal Biodiversity, Systematics and Applications
  - II. Service: Fungal Identification Service and Supply of Authentic Strains
  - III. Conservation (in Repositories):
    - National Fungal Culture Collection of India (NFCCI-WDCM 932)
    - Ajrekar Mycological Herbarium–(AMH)
- Awards/Recognitions**
- Selected and Attended Advance International Training Program on Genetic Resources and Intellectual Property Rights sponsored by Swedish International Development Cooperation Agency –SIDA (2013)
  - Awarded Honorary Fellowship of Society of Applied Biotechnology (SAB), INDIA (2012)
  - Participated in 12<sup>th</sup> International Conference on Culture Collection (ICCC 12). Florianopolis, Brazil and Represented National Fungal Culture Collection of India (NFCCI-WDCM 932)
  - Awarded Associateship for Young Scientists in Niche Area of Agriculture Biotechnology by DBT, Govt. of India and availed Advance Training on 'Biology of Endophytes' at Montana State University, Bozeman, USA (March-August 2010)

- President (Elect), West Zone Indian Phytopathological Society, New Delhi (2008)
- Coordinator: National Facility for Culture Collection of Fungi (DST-sponsored- Since 2008)
- Member, Executive Council, Mycological Society of India, MSI (2004)
- Awarded Research Associate ship of CSIR, New Delhi (April 1997)
- Awarded Young Scientist of DST, New Delhi (Dec. 1997 – Nov. 1999)

#### **MEMBERSHIP OF SCIENTIFIC SOCIETIES**

- International Society for Conservation of Fungi, UK (Honorary member)
- Society for Applied Biotechnology, INDIA (Honorary member)
- Mycological Society of India (Life Member)
- Indian Science Congress Association (Life Member)
- Delhi University Botanical Society (Life Member)
- Indian Phytopathological Society- (Life Member)
